

INVITED SPEAKERS

- Dr. Raju K. George, Indian Institute of Space Science and Technology, Thiruvananthapuram
- Dr. R. Sakthivel, Bharathiar University, Coimbatore
- Dr. S. Marshal Anthoni, Anna University Regional Campus, CBE
- Dr. Rajeswari Seshadri, Pondicherry University, Pondicherry
- Dr. V. Santhi, National Institute of Technology, Tiruchirappalli
- Dr. R. Raja, RCHM, Alagappa University, Karaikudi
- Dr. Katta Ramesh, Sunway University, Malaysia
- Dr. Sathiyaraj Thambiayya, UCSI University, Malaysia
- Dr. C.G. Karthick Babu, Indian Statistical Institute, Kolkata

ADVISORY COMMITTEE

- Dr. R. Balakrishnan, Adjunct Professor, Bharathidasan University, Tiruchirappalli.
- Dr. K. Balachandran, Mentor Prof., Bharathiar University, CBE
- Dr. E. Natarajan, Indian Institute of Space Science and Technology (IIST), Thiruvananthapuram
- Dr. R. Sakthivel, Bharathiar University, Coimbatore
- Dr. S. Marshal Anthoni, Anna University Regional Campus, CBE
- Dr. Jonghoek Kim, Sejong University, South Korea.
- Dr. S. Sundar, The Institute of Mathematical Sciences, Chennai
- Dr. C. G. Karthick Babu, Indian Statistical Institute-Kolkata
- Dr. Kalpana Muthusamy, UCSI University, Malaysia
- Dr. A. K. Nandakumar, Indian Institute of Science, Bangalore
- Dr. Selvaraju Narayanasamy, IIT Guwahati
- Dr. P. Prakash, Periyar University, Salem
- Dr. C. Vijayalakshmi, Central University of Tamilnadu
- Dr. V. Muthulakshmi, Periyar University, Salem
- Dr. A. Tamilselvan, Bharathidasan University, Tiruchirappalli.
- Dr. V. Piramanantham, Bharathidasan University
- Dr. Mohammad Javed Idrisi, Manav Rachna University
- Dr. R. Samidurai, Thiruvalluvar University, Vellore
- Dr. Mathiyalagan Kalidass, Bharathiar University, Coimbatore
- Dr. B. Sundaravadivoo, Central University of Tamil Nadu
- Dr. Nageswara Rao, Jazan University, Jazan, Saudi Arabia.
- Dr. Kavikumar Jacob, University of Tun Hussein Onn, Malaysia
- Dr. A. Vanavkumar, NIT, Arunachal Pradesh, India
- Dr. A. Ramesh Babu, AMRITA University, Coimbatore
- Dr. A. Edward Samuel, Govt. Arts College, Kumbakonam
- Dr. V. Subburayan, SRMIST, Kattankulathur
- Dr. M. Saradha, REVA University, Bangaluru

SRMIST, Tiruchirappalli

SRM Institute of Science & Technology, Tiruchirappalli with its abundant green lustre, superior ambience and eye-catching infrastructure continues to shine as a heavenly abode for students across India. SRMIST Tiruchirappalli within a span of five years has become one of the most sought out institutions for its globally recognised programs that immerse the students into the latest cutting-edge technologies adopted by leading industries. Our team of highly-skilled faculty members with their outstanding expertise and competencies provide rich learning exposure and ample opportunities for students and research scholars thereby enabling them to face the competitiveness with confidence. SRMIST believes in collaboration and sees it as an opportunity to expand and to bring into its fold diverse and world-class academic experiences. The institution ensures equal opportunity and growth, multi-cultural and multi-disciplinary learning lifestyle, safe and sound environment to the entire student community. With its splendid culmination of facilities and resources, there is no doubt that SRMIST is a finest choice for higher education.

Division of Mathematics

The Division of Mathematics, SRM Institute of Science and Technology, Tiruchirappalli, was founded in 2021. This department consists of a vibrant and dedicated faculty with good research backgrounds to share their knowledge with students. It has a cohesive group of academic members in the domains of Analysis, Differential Equations, Fuzzy set theory & optimization, Graph theory, Mathematical Modeling, Fractional Calculus, Control Theory, Queueing Theory, and Stochastic processes who are actively engaged in broad areas of study in Mathematics and related subjects. The department prepares engineering students to be strong in mathematics and apply it to specific problems, as well as to develop mathematical solutions to various socio-economic, technological, and work-related processes. It provides assistance to all disciplines of Science and Technology. It assists pupils in reproducing the spirit of logic and taking the lead.

AIM AND OBJECTIVE OF THE CONFERENCE

- To share recent advances in mathematics and their significance in various fields.
- To exchange recent developments and novel ideas in Mathematics among researchers.
- Our goal is to connect researchers from diverse fields and foster collaboration.
- To encourage new researchers to collaborate with experienced researchers and expand their knowledge.
- Offer a platform for researchers to present their findings.
- To promote discussions about the role of mathematics in modern society.

CALL FOR PAPERS

The organizers invite original and unpublished research articles from academia, industry experts, and research scholars, including students, for oral or poster presentation in broad thematic areas. All abstracts accepted for presentation will be published in the conference proceedings with an ISBN, which will be made available to the participants. Extended versions of selected papers will be recommended for possible inclusion in Scopus-indexed or Web of Science journals/book chapters, subject to scope, quality, and the financial requirements of the respective journals.

TOPICS

- Algebra
- Graph Theory
- Control Theory
- Differential Equations
- Fractional Calculus
- Topology
- Numerical Methods
- Optimization Theory
- Fluid Mechanics
- Mathematical Analysis
- Dynamical Systems
- Mathematical Modeling
- Fuzzy Mathematics
- Machine Learning
- Mathematical Physics
- Number Theory
- Operator Theory
- Data Science & Algorithms
- Neural Network
- Mathematical Biology
